Intro to Johns Gospel

Description

A few years ago I completed a journey through Johnâ??s gospel. The intention was to provide enough material for a bi monthly church magazine entitled â??Fords Focusâ?•. This journey took three and a half years and culminated in a series of articles that took us through Johnâ??s gospel chapter by chapter. It is my intention to revamp these articles and over time post them here. I will probably post each chapter as I complete the revamp and may intersperse with other articles, so watch this space.
